The Supreme Council was called off at 11 o'clock a. m., and a Lodge of Perfection, 14°, opened, and members of the Rite admitted.

The Sovereign Grand Commander then delivered the annual address, as follows :

To the Supreme Council A.°. & A.°. Scottish Rite for the Dominion of Canada.

ILLUSTRIOUS BRETHREN :

Time in its ceaseless march has again brought us to the period fixed in our Statutes for the annual meeting of this Supreme Council, and it is with unfeigned pleasure I greet you at our Grand East, and extend a sincere and hearty welcome to our twenty-eighth annual session.

We are assembled here for the performance of such duties as the Statutes and Regulations of the Order impose upon us, and for the transaction of such business as the present condition and future needs of the Rite in this Jurisdiction may require.

It is the duty of the Grand Commander to advise the Supreme Council of his official acts, during the past year, and communicate such information as he may possess relating to the condition of the Rite within this Jurisdiction, and to the relations existing between this Body and sister Supreme Councils, and to bring to your attention such matters as in his judgment claim the consideration, or require the action of the Supreme Council.

I am happy to say that on this occasion the duty is by no means a burdensome one, and I need not trespass on your time and patience to any very great extent; in fact our affairs have moved so smoothly during the past year that I have to congratulate you upon the small amount of business presented for your consideration this session.

On this occasion our hearts are filled with gratitude, and we reverently thank "the Giver of all good and perfect gifts" for His great mercies in permitting us to meet together to-day in health and peace, with unbroken ranks, and that during the past year none of our beloved members have been called upon "to drink of the bitter cup," and that our chain of union remains unbroken.

We praise and bless "Our Father who is in Heaven" for this token of His loving kindness, and every true masonic heart will join in the invocation that this blessing may continue to rest on our Council, but if our little band has been spared, the grim tyrant, whom we call death, has borne away many trophies, and many brethren have received the summons, which in time must come to everyone, and which all must obey. Other brethren, not members of this supreme degree, but none the less beloved and regretted, have passed to the great silent majority; we lament their death and we now extend to their sorrowing friends, and to the bodies of the Rite who have sustained their loss, our most sincere and heartfelt sympathy.

While we rejoice that our own Council has been spared, death has been busy elsewhere, and a number of the Supreme Councils with whom we are in fraternal communication have been called upon to part with beloved and honored members, and our hearts go out to them in loving sympathy.

Our nearest neighbors and warmest friends, the Supreme Council of the Northern Jurisdiction of the United States of America, have been sorely afflicted during the past year, having lost four active and twenty-nine honorary members. On the 18th of January, 1902, Ill. Bro. DANIEL SICKELS, 33°, active member, and Dean of their Supreme Council, died at his home in Brooklyn, New York, at the ripe age of eighty-seven years. He was their senior member both in years and in service, and was crowned an active member May 15th, 1849; among the high offices which he filled was that of Grand Secretary-General, which he held for seventeen years, resigning the same in 1873.

Ill. : Bro. : SICKELS (Uncle Daniel, as he was affectionately called) was widely and favorably known among the masonic fraternity ; in his earlier years he devoted considerable time to masonic literature, and his "Masonic Monitor," first published in 1864, is still considered a standard authority.

Ill. : Bro. : JOSEPH WILLIAM SMITH, 33°, active member and Illustrious Deputy for the State of Indiana, died in January last. Ill. : Bro. : EDWARD PAYSON BURNHAM, 33° an active member from the State of Maine, died at Somersworth, New Hampshire, on the 12th of May, 1902. In reporting his death, Sovereign Grand Commander PALMER says: "The record of our brother's "masonic life demonstrates his fidelity and devotion to the principles and teachings of the fraternity of which he was an honored member, and which he loved "so well."

Ill. : Bro. : WILLIAM RILEY HIGBY, 33°, an active member, died on the 4th of September last ; at the time of his decease, Ill. : Bro. : HIGBY held the office of Grand Standard Bearer, which position he had filled for twenty-six consecutive years.

The Southern Jurisdiction report the death of Ill. : Bro. : RUFUS E. FLEMING, 33°, active member, and Grand Minister of State, who died at his home in Fargo, North Dakota, March 20th, 1902.

This Supreme Council also report the death of eight honorary members during the past year.

I have read with great regret the announcement in the newspapers of the death, on the 19th of August last, of Ill. : Bro. : LINDSAY MACKERSY, 33°, Secretary General of the Supreme Council of Scotland, and our representative near that Body ; we have not, however, received any official notification of this death.

FOREIGN RELATIONS.

The fraternal relations between this Supreme Council and the Supreme Councils of other nations with whom we are in correspondence are of the most friendly nature.

A number of communications have been received, which in most cases have been referred to the Committee on Foreign Correspondence, and I have no doubt the report of our able Chairman will prove as instructive and interesting as ever.

In this connection I wish to draw the attention of the members of this Supreme Council to the fact that we are deeply indebted to Past Sovereign Grand Commander ELLIS for the great amount of time and labor expended by him in preparing these very able reports which he presents to us from year to year.

THE SUPREME COUNCIL FOR THE NORTHERN JURISDICTION OF THE UNITED STATES OF AMERICA.

Accompanied by Past Sovereign Grand Commander ELLIS, I visited this Supreme Council, which held its Annual Session in September last, in the City

of Providence, Rhode Island. To say that we received a hearty welcome and cordial greeting faintly describes the warmth of our reception.

The Sovereign Grand Commander, officers and members of the Council were indefatigable in their attentions, and did everything possible to render our visit pleasant and agreeable.

This Grand Body, the largest Supreme Council in the world, holding jurisdiction over fourteen States of the northern portion of that great Republic to the south of us, is in a most prosperous condition, and is composed of forty-seven active, two emeritus, and over seven hundred honorary members.

Amongst its membership are many of the most able and experienced Masons on this continent, men who are eminent in every branch of Freemasonry, and whose names are household words in the Craft.

The attendance this year was very large, and the Most Puissant Sovereign Grand Commander PALMER presided as usual, with that quiet dignity which is characteristic of him, and stamps him as a model ruler of the Order. His able and eloquent address was listened to with rapt attention, portions of which were pathetic when touching upon the death of so many of their old and experienced members.

Thirty-seven Sublime Princes of the Royal Secret had the 33rd and last degree conferred upon them in full ceremonial form, in the most solemn and impressive manner.

Four Honorary Inspector-Generals were elected and crowned active members, to fill the vacancies caused by death during the past year.

The resident members of the Rite entertained the members of the Supreme Council and its visitors in the most hospitable manner.

The pleasure of attending this Session was enhanced by the fact that we were enabled to meet and make the acquaintance of Ill. Bro. JAMES D. RICHARDSON, Sovereign Grand Commander of the Supreme Council of the Southern Jurisdiction of the United States.

There were, therefore, present at this meeting three Sovereign Grand Commanders, which is, I believe, unprecedented in the history of Scottish Rite Freemasonry on this continent.

Much sympathy was evinced by the members of the Supreme Council for the veteran Secretary-General, Ill. Bro. CLINTON F. PAIGE, who after twenty-nine years of continuous service was obliged to resign his position on account of failing health.

Ill. Bro. J. H. CODDING of Towanda, Pennsylvania, was unanimously chosen to fill this vacancy. You will no doubt be pleased to learn that our old friend D. BURNHAM TRACY, 33°, was appointed Dean of their Supreme Council in place of Ill. Bro. SICKELS, deceased.

Ill.°. Bro.°. TRACY is an honorary member of this Council, and was for many years a constant visitor, and it will be remembered by the older members that he was present as the representative of Ill.°. Bro.°. DRUMMOND, and assisted the late Ill.°. Bro.°. PIKE at the formation of this body.

THE SUPREME COUNCIL FOR THE SOUTHERN JURISDICTION OF THE
UNITED STATES OF AMERICA.

This old Supreme Council (mother Council of the world) celebrated the one hundredth anniversary of its organization at Washington, D. C., on the 23rd of October last. Among other ceremonies which took place on that occasion was the unveiling of the statue erected to the memory of that Prince of Masons, ALBERT PIKE, who was for thirty-two years its beloved and honored Grand Commander.

Owing to an unfortunate misunderstanding, or rather a change in the day fixed for the unveiling of the statue, our specially delegated representative to the centennial celebration, the Hon. JOHN M. GIBSON, 33°, arrived too late for the ceremony, which is greatly to be regretted; he has, however, reported to me that he was received with great cordiality, and with the honors due him as our delegate and representative.

We have received the Transactions of their last Biennial Session, which was a very lengthy one, occupying some seven days. The acting Grand Commander delivered a very interesting and exhaustive allocution, and a large amount of business was transacted; a number of important amendments were made to the Statutes and Regulations.

The affairs of this Body as shown by the several reports are in a most flourishing and prosperous condition, and the increase of membership, as well as the number of new bodies established, was greater than ever known in any two years up to that time.

It being the first meeting of this Council since the death of its Grand Commander, THOMAS H. CASWELL, the vacancy was filled by the election of Ill.°. Bro.°. JAMES D. RICHARDSON, 33°, as Sovereign Grand Commander *ad vitam*, and other vacancies were also filled.

The Supreme Council of England have sent us a most kind and fraternal letter, expressing their deep sorrow and sincere sympathy for the loss we have sustained by the death of Ill.°. Bro.°. RICHARD B. HUNGERFORD, 33°.

We have received from the Supreme Council of France their *Compte Rendu* for 1902, which as usual contains much interesting matter. They devote a number of pages in their Foreign Correspondence to our Council and quote at considerable length from Ill.°. Bro.°. ELLIS' report of 1900.

The Supreme Council of Switzerland has commissioned and appointed Ill.°. Bro.°. BENJAMIN TOOKE, 33°, as their Grand Representative and guarantor of amity near this Supreme Council.

We have received a number of interesting communications from Ill. : Bro. : JULES CAPRE, our able representative near Switzerland, containing much valuable information in reference to the Rite in that country. Among other things he informs us that the contemplated convention which was proposed to be held in Brussels in 1902 has been indefinitely postponed.

It is evident that the Supreme Council of Switzerland is anxious that there should be no misunderstanding between our Councils, and that the fraternal relations now existing should continue; to show this I quote the following from one of Ill. : Bro. : CAPRE's letters :

"You know recently the Swiss Grand Lodge of Alpina addressed to the
 "Grand Lodge of England an appeal in favor of the Boers and peace. The
 "English Grand Lodge answered it, and we regret to state that our brethren of
 "Alpina received a lesson which they might and should have avoided. In fact,
 "whatever might be the generous thought, the kindly feelings of the Alpina
 "brethren, which induced them to take this step, they ran the risk of being
 "wrongly understood, seeing they were dealing with a very delicate question
 "with us all, that of national pride.

* * * * *

"In writing to you about this incident, Very Ill. : Sov. : Grand Commander, it is to
 "give you the information that the Supreme Council of Switzerland has positively
 "refused to be a partner in actions of this kind, not because it doubted the
 "generosity, the sincerity, or the Masonic character, but because it considered
 "we had no right to interfere in one way or another in questions foreign to
 "Scottish Rite Masonry.

"If then under these circumstances the action taken by the Alpina Lodge
 "may have had any effect on the Scottish Lodges in Canada, and if its action has
 "cooled the patriotic and loyal sentiments of any Masons of the Dominion, we
 "desire for the maintenance of our friendly relations that it be known to all that
 "the Supreme Council of Switzerland has stood entirely aloof from the action of
 "the Alpina Lodge."

This Supreme Council has also sent us a letter of condolence and sympathy on the death of the late Ill. : Bro. : RICHARD B. HUNGERFORD, 33°, informing us that the triple battery of sorrow was given to his memory.

A communication has been received from the Supreme Council of the United States of Mexico, expressing the hope that the cordial relations existing between us now be maintained and continued, and requesting our Supreme Council to appoint a representative near their Supreme Body; we have therefore named and commissioned their Sovereign Grand Commander General J. ALONSO FLORES, 33°, as our representative near their Supreme Council.

They also make fraternal reference to the decease of Ill. : Bro. : RICHARD B. HUNGERFORD.

The Supreme Council for the Republic of Argentina informs us that at a Ses-

sion of their Council held on the 19th of September, 1901, Ill. : Bro. : EMILIO GOUCHON, 33°, was elected to the office of Sovereign Grand Commander, to fill the vacancy caused by the resignation of Ill. : Bro. : FAUSTINO JORGE, 33°, and that Ill. : Bro. : FRANCISCO F. FERNANDEZ, 33°, having resigned the office of Lieut. Grand Commander, Ill. : Bro. : EMILIO DEL VALLE, 33°, had been elected to fill that office.

They also refer in feeling terms to the death of Ill. : Bro. : HUNGERFORD.

The Supreme Council for Central America have sent us a number of circular letters, and other documents, which have been referred to the Committee on Foreign Correspondence.

REPRESENTATIVES.

Since our last Session we have sent credentials to Ill. : Bro. : General J. ALONSO FLORES, 33°, of the City of Mexico, appointing him as our representative near the Supreme Council for the United States of Mexico.

The Supreme Council of Switzerland has nominated and appointed Ill. : Bro. : BENJAMIN TOOKE, 33°, as their representative and guarantor of amity near this Supreme Council. We shall be pleased to receive and welcome the Illustrious Deputy for Quebec as the representative of Switzerland, with the honors due that position.

I regret that six Supreme Councils with whom we are in fraternal correspondence are still unrepresented near our Grand East, notwithstanding our Secretary-General has by my instructions communicated with all of these Councils in reference to this matter.

We have no representative near the following Councils, viz. :

United States of Columbia.

Portugal.

Tunis.

Uruguay.

Egypt.

My Brethren, it appears but yesterday that we were in the last session of this Supreme Council, and yet since then many great and important events have occurred, and not the least memorable was the magnificent demonstration which took place at the Coronation of His Majesty Edward VII. From every colony and dependency of the Empire were foregathered in the world's great capital the representatives of state and of military power and glory of an unbroken chain of British possessions. Princes of both church and state, and peeresses and peers innumerable, with all the boast of heraldry, and all that beauty—all that wealth might give were to contribute such a brilliancy and eclat to the ceremony of the Coronation as was to make it a pageant unparalleled during any of the ages. Our hearts were so thrilled and stirred with loyal devotion and personal gratification at the preparations for the pre-arranged display of national power and wealth that perhaps some of us had forgotten for a time that while man proposes, God dis-

poses, until the sad intelligence was flashed across the cable that the Coronation, for which such enormous preparations had been made, was not to be—at least, not upon the appointed day—and that His Majesty the King had been suddenly stricken with a malady which had brought him to the very door of death, and had necessitated a very serious and a very dangerous surgical operation.

Never, perhaps, was there such a world-wide sense of personal sorrow and disappointment as was evoked by this harrowing intelligence. Never certainly was there a more realizing sense of human helplessness and humble dependence upon the decrees of an All-wise and Over-ruling Providence. It is unnecessary to dwell upon the sadness and sorrow of those dark and anxious days when the life of His Majesty hung in the balance, nor upon the joy and thankfulness which followed the King's return to health and strength, nor yet upon the demonstration of gratitude, loyalty and affection which attended the joyous celebration of the deferred Coronation. It is meet and right, however, that we should as a body take this first opportunity which has been afforded us of expressing our gratitude to the Most Wise Sovereign of the Universe for His signal mercy in hearing and in answering the prayers of His people, and in preserving to them the life that is so precious to us all.

HOME MATTERS.

I am gratified to be able to say that the utmost harmony has prevailed during the past year throughout this jurisdiction.

Not a single case of disagreement between bodies of the Rite, or between the members, has been submitted for my consideration or action. This fact speaks eloquently in favor of the high character of the brethren who compose, and of those who manage the affairs of the subordinate bodies of the Rite under the care of this Supreme Council.

The year just passed has been a prosperous one for the Rite in Canada, in fact I believe I would be justified in stating that it has been a very prosperous one, and that in most of the Provinces substantial advances have been made.

While our brethren throughout the jurisdiction have done well in the matter of work, an examination of the returns of the various subordinate bodies indicates that the most marked progress has been in the Province of Ontario. The steadily increasing facilities for rendering the several degrees in a proper and impressive manner, the additions which are constantly being made to the roll of intelligent and accomplished workmen, and the growing appreciation of the Rite and its teachings, give assurance that we may reasonably expect even better results, year by year, in the future, than have been attained in the past.

The reports of the Secretary-General, the Treasurer-General, and of the Provincial Deputies, indicate a very satisfactory condition of the Rite throughout the jurisdiction, and as much progress has probably been made in the way of increasing the membership of the order as was desirable and consistent with a due regard to maintaining the high standard of personal character required of initiates, which we have always considered essential.

I desire to call the attention of the Illustrious Deputies to the fact that if each Deputy would submit his report as soon after the close of each fiscal year as practicable, it would aid the Sovereign Grand Commander very materially in the discharge of his duties. This would afford time for a proper examination of the reports before the meeting of the Supreme Council, and enable the Sovereign Grand Commander to present to the Council in a condensed form such subjects embraced in the reports as may require the action of this Body.

I have not many official acts to report.

Application has been made for a ruling in the following case :

Has a Provincial Deputy power to grant a dispensation to communicate degrees which are required by the Statutes to be conferred *in extenso* ?

In this case I ruled that Provincial Deputies had no power to waive or set aside any clause of the Statutes and Regulations, with the exception of granting dispensations with regard to election of officers and time between degrees.

I have approved and confirmed the amendments to the By-Laws of Toronto Lodge of Perfection.

Taking advantage of a proposed visit of Ill.°. Bro.°. JOHN McKECHNIE, 33°, Ill. Deputy for the Province of Manitoba, to Calgary, Alberta, and considering that it was desirable to extend the Rite in the Territories whenever possible, I issued a special commission to Ill.°. Bro.°. McKECHNIE, authorizing him to confer the degrees from 4° to 14°, inclusive, on fourteen brethren residing in that vicinity, whose applications had been accepted by the Winnipeg Lodge of Perfection, authorizing him to collect the fees therefor and directing him to make full report and returns of the work done, and the fees collected, to the aforesaid Lodge.

Ill.°. Bro.°. McKECHNIE reports that they had a very pleasant and most enthusiastic meeting, forty members of the Rite being present, and the 4°, 5°, 13° and 14 degrees were conferred *in extenso*.

He also states that he has forwarded a report of the work done, together with the fees collected, to the Winnipeg Lodge of Perfection.

Early last summer I was advised that a number of Sovereign Princes of Rose Croix, 18°, residing in the Province of British Columbia, desired to receive the degrees from 18° to 32°, inclusive. Wishing to propagate the higher degrees of the Rite, with a view in the near future of establishing a consistory in that flourishing Province, I granted a commission to Ill.°. Bro.°. BENJAMIN ALLEN, 33°, an active member of the Supreme Council, who was about to visit the City of Vancouver, authorizing him to confer upon such Sovereign Princes of Rose Croix, 18°, residing in British Columbia, and possessing the high qualifications necessary for advancement, the degrees up to and inclusive of the 32°, authorizing him to collect therefor the statutory fees, and directing him to make full report and returns of work done, and the fees collected, to the Secretary General. Ill.°. Bro.°. ALLEN reports that in accordance with the powers thus conferred he did, on the 22nd of August last, in the City of Vancouver, B. C., communicate the

several degrees from 19° to the 32°, inclusive, to Sovereign Prince HARRY HOLGATE WATSON, 18°, Past Grand Master of Grand Lodge of British Columbia.

That on the 25th of August last, in Nelson, B. C., he also communicated the several degrees from 19° to the 32°, inclusive, upon Sovereign Prince ELON EZRA CHIPMAN, 18°, Grand Master of the Grand Lodge of British Columbia, and the degrees from the 19° to the 32°, inclusive, upon Sovereign Prince ROBERT FRANCIS GREEN, 18°, member of the Provincial Parliament of British Columbia.

The statutory fees were collected and have been paid over to the Secretary-General.

At the request of Ill. : Bro. : JOHN McKECHNIE, 33°, Illustrious Deputy for the Province of Manitoba, and other Ill. Brethren, I called a special meeting of the Supreme Council in the City of Montreal, on the 12th day of August last, and conferred the 33° in full form on Ill. : Bro. : DUNCAN WINDELL McDERMID, 32°, of the City of Winnipeg; he was received, welcomed, and proclaimed an Honorary Inspector-General, and enrolled as an Honorary member of the Supreme Council for the Dominion of Canada. Ill. : Bro. : McDERMID was elected to receive the degree at the annual Session of the Supreme Council held in the City of St. John, N. B., in October, 1899; since then, however, he has not been able to attend any of our Annual Sessions, and learning that it would be practically impossible for him to be present at this session, and being desirous to show every consideration to our Illustrious Brethren of the Prairie Province, I called this special meeting, which I trust will meet with your approval.

Most successful Reunions have been held during the year in the cities of Hamilton, London and Ottawa. The Illustrious Deputy for the Province of Ontario will no doubt give you a detailed account of these interesting meetings. I regret exceedingly that I was not able to be present at any of these reunions.

Brethren of the Supreme Council :

Let us enter upon our labors with the single purpose of doing that which will best meet the requirements and promote the interests of the Brotherhood for whom we are legislating, ever remembering the duty resting upon us to exercise "all the powers and authority wherewith we have been invested in Masonry, with "impartiality, justice, equity, and loving kindness, for the glory of God and the "success of the great principles of the A. & A. S. Rite."

I. H. STEARNS, 33°,
Grand Commander.

The Lodge of Perfection, 14°, was then closed, and all brethren below the thirty-third degree having retired, the Supreme Council resumed labor in General Session.

On motion of the Lieutenant Grand Commander, the allocution of the Sovereign Grand Commander was received and referred to a Special Committee.

The Sovereign Grand Commander appointed Ill.: Bros.: J. M. GIBSON, J. D. CHIPMAN and BENJAMIN TOOKE on said Committee.

The Secretary-General presented foreign correspondence, circulars and proceedings from the Supreme Councils for the Southern Jurisdiction of U. S. A., the Northern Jurisdiction, U. S. BERLIN, ONTARIO,
30th September, 1902.

H. A. MACKAY, 33°,
Treasurer-General.

On motion of Ill.: Bro.: MACKAY, the reports of the Secretary-General and the Treasurer-General were referred to the Committee on Audit and Finance.

The Sovereign Grand Commander appointed for the Session the following brethren to fill the places on Committees of absentees from this Session, viz. :

Ill.: Bro.: BALLARD, to Committee on Audit and Finance, in place of Ill.: Bro.: MASON; Ill.: Bros.: WM. GIBSON and HAGAR, to Committee on Foreign Correspondence, in place of Ill.: Bros.: MARSHALL and THORNE.

The Supreme Council was called off at 11.55 o'clock a. m.

The Supreme Council opened in Executive Session at 11.55 a. m.

FIRST EXECUTIVE SESSION.

The Secretary-General then read the following names of brethren proposed for the degree of Hon.: Inspector-General, 33°, at the Annual Session of 1901, viz. :

Ill.: Bro.: DONALD MCPHIE, 32°, Hamilton, Ont.

“ “ FREDERICK JUSTUS HOWELL, 32°, Hamilton, Ont.

“ “ SIDNEY ALBERT LUKE, 32°, Ottawa, Ont.

“ “ EDWIN JAMES EVERITT, 32°, St. John, N. B.

“ “ THOMAS WALKER, 32°, St. John, N. B.

“ “ JOHN ROSS ROBERTSON, 32°, Toronto, Ont.

The Roll having been called on each candidate, these Illustrious Brethren were elected by *viva-voci* vote.

The Supreme Council Executive Session was called off, and resumed labor in General Session at 12.10 o'clock p. m.

The following resolution, notice of which was given at the last Session of the Supreme Council, was, on motion of Ill.: Bro.: ELLIS, carried :

“ That the Sovereign Grand Commander be authorized to have the Supreme Council represented at the next annual conference of the Supreme Councils of England, Scotland and Ireland, should it be convenient and practical for him to do so, and should he deem it advisable.”

The following reports of Provincial and Special Deputies were then read :

ONTARIO.

To the Supreme Council A.: & A.: Scottish Rite for the Dominion of Canada.

ILLUSTRIOUS BRETHREN :

I beg respectfully to present my report for the past year as Deputy for the Province of Ontario. Generally speaking, I have every reason to feel satisfied with the progress made in this Province, and I am glad to say that perfect harmony prevails throughout the jurisdiction.

On the 29th of November last the bodies of the Rite in Hamilton held a most successful “ At Home,” the brilliant rooms of the Rite, as well as those of

the Blue Lodges, the Royal Arch Chapters and the Preceptory being all required to accommodate the very large attendance of members of the Rite and their friends. A very pleasant evening was spent, and in all probability another similar entertainment will be given at no distant date.

On the 28th, 29th and 30th of January last the 22nd Annual Re-union of the bodies in this Valley was held, and was as usual most successful, there being 28 candidates for the Lodge of Perfection, 10 for the Chapter of Rose Croix and 26 for the several degrees of the Consistory. The presiding officers of the various bodies discharged their duties most efficiently, and were ably seconded by Ill.º. Bros.º. MURRAY, GIBSON, BALLARD, STEWART, MCPHIE, FREED, DAVIS, BETHUNE, HUTCHISON and others.

The visit of Ill.º. Bro.º. HON. J. M. GIBSON, 33º, to Washington, on the occasion of the 100th Anniversary of the establishment of the Rite on this continent, and the unveiling of the statue to the memory of the late Ill.º. Bro.º. ALBERT PIKE, 33º, was a most interesting feature of the year, and it is a matter of great satisfaction that our Supreme Council was represented on that occasion.

Members of the Rite in Hamilton attended, as usual during the year, the Re-unions at Cleveland, Buffalo and Pittsburgh.

The bodies in London were enabled during the past year to move into their quarters in the new Temple building, and their 8th Annual Re-union was held on the 29th and 30th of April last. Twenty-five candidates presented themselves for the Degree of Perfection and 14 for the Degree of Rose Croix. The work was rendered with perfect smoothness from beginning to end. The prospects for both lodge and chapter are exceedingly bright. They have made material additions to their equipment and paraphernalia, all of which have been paid for, so that financially, as well as numerically, they are well situated.

The 12th Annual Re-union of the Ottawa brethren was held on the 12th and 13th of March last, and the work, which was as usual well done, was witnessed by a large number of members and visitors. A pleasing feature of the Re-union was the fact that about thirty different brethren had parts allotted to them in the several degrees, and increased interest in the work was thereby created, as the brethren selected for the parts endeavored to portray them naturally and efficiently, and in these respects they succeeded most admirably, and were of valuable assistance to the presiding officers. The financial condition of the bodies in Ottawa is excellent, the permanent fund now amounting to nearly \$1,800 with no liabilities. During this fall and the coming winter the bodies expect to be busily employed, as a number of candidates have already sent in petitions.

The Toronto Lodge of Perfection has during the year added 17 new members to its roll, and some 15 or 20 petitions are now under consideration. Meetings were held regularly during the year, exclusive of those held for rehearsal only, and the officers of the lodge by their punctual attendance and zeal have brought the affairs of the lodge into an enviable position. The old

indebtedness necessarily incurred has now been entirely wiped out, and there are several hundred dollars to the good in the treasury. Ill. : Bro. : RYRIE, Thrice Puissant Grand Master up to March last, and Ill. : Bro. : AUBREY WHITE, who then succeeded him, have every reason to feel proud of the year's record.

Under the leadership of Ill. : Bro. : WEBSTER, who was re-elected in April last, the past has been the most prosperous year in the history of the Toronto Chapter of Rose Croix. The number on the roll has been increased by nineteen and the Chapter is now, for the first time since its inception in 1874, clear of debt. The Bodies between them now possess equipment and paraphernalia valued at nearly \$8,000.00, and are in a position to exemplify the work in all its minute details.

With respect to the Royal City Lodge of Perfection, Guelph, the hindrance to effective work reported last year still exists, there being so few of the members of the lodge resident in Guelph. Some months ago the question of the surrender of the Warrant was considered, but I am glad to say that the majority of the brethren were of opinion that such a step would be premature until another determined effort had been made to increase the membership, particularly in Guelph. Since that time a number of meetings have been held, and though no degrees have been conferred as yet, several candidates have been accepted and will receive the degrees in due course. It is probable that an attempt will be made to arrange for a Re-union, at which all the degrees might be worked. If this can be accomplished I feel certain that the Royal City Lodge will have the active assistance of prominent members of all the Bodies in this portion of Ontario. The financial condition of the Lodge is sound, and, generally speaking, the outlook for the future is more hopeful than it was a year ago.

The prospects of the Barrie Lodge of Perfection and the Spry Chapter of Rose Croix are still very encouraging. The Lodge of Perfection has been particularly busy, and though the Chapter has not added much to its membership during the year, it has under consideration seven petitions which will be acted upon shortly. The officers of the two bodies have made every effort to perfect themselves in the work and to advance the interests of the Rite.

The financial condition of the bodies in Kingston is somewhat improved, but no work has been done during the past year. Their membership is small, and of these few eight are away from Kingston altogether, and of the remainder there are several who are unable to attend from various causes. This leaves a very small working membership. The few members there who still take an active interest in the Rite are, however, not entirely despondent and are in hopes of gaining some new members during the coming year.

During the past year I granted the following Dispensations, viz. :—To Royal City Lodge of Perfection, Guelph, and Toronto Lodge of Perfection, Toronto, to elect officers at a time other than that fixed by the Statutes and Regulations.

To London Chapter of Rose Croix, Ottawa Lodge of Perfection, Murray

Chapter of Rose Croix, Ottawa, and Moore Sovereign Consistory, Hamilton, to confer degrees within the prescribed time.

To sum up the whole matter, I venture to express the opinion that the Supreme Council has every reason to congratulate itself upon the condition of the Rite in this Province.

Fraternally submitted,

J. J. MASON, 33°,
Deputy for Ontario.

QUEBEC.

To the Supreme Council A.°. & A.°. Scottish Rite for the Dominion of Canada.

ILLUSTRIOUS BRETHREN :

In submitting my report to the Supreme Council for the Province represented by me for some years, I must confess my greatest difficulty has been to alter its general tenor.

Not that the Rite in this Valley is in the least dormant, rather would I put it our family circle remains about the same, but individual interest much more zealous. To explain this condition year after year in a manner that will be interesting to this Supreme Body is the annual privilege of a Deputy. "What we have we hold" may be truly applied to Quebec, but up to the present I have not met the member who possesses the courage to alter or amend our well known conservative principles of selecting material. I do not hesitate to say that were we to extend the slightest encouragement to many members of the Craft our roll of membership could be materially increased ; but would the Rite in this Valley remain the unique body that it is to-day?

During the past year the great aim among our members seems to have been improvement in working the different degrees, and in this connection I am pleased to report the success has been so marked that our attendance has been the greatest known during my occupancy of this office.

Zealous and painstaking officers actuated by pure love for the Rite are responsible for this increased interest, and from information recently received from the Commander-in-Chief of the Consistory I believe the coming year will be still more attractive.

During the year the Lodge of Perfection met to confer degrees on four occasions ; the Rose Croix Chapter and Consistory each twice. Our roll of membership has been carefully gone over and the annual returns sent to the Sec'y-General contain a list of peers and brethren who are active in every sense of the word.

Dispensations have been granted where it was considered advisable for the best interests of the Rite ; others refused.

May I again draw the attention of members of Supreme Council inviting them one and all to visit their brethren in Quebec from time to time.

Fraternally submitted,

B. TOOKE,

Deputy for Quebec.

NEW BRUNSWICK.

To the Supreme Council A.: & A.: Scottish Rite for the Dominion of Canada :

ILLUSTRIOUS BRETHREN :

In submitting my annual report as Deputy for the Province of New Brunswick, I have nothing of special interest to note in the doings of the Rite during the past year.

The Lodge of Perfection received six brethren into the 14th degree, but there was not much activity so far as admissions are concerned in either the Rose Croix Chapter or the Consistory.

There were no admissions in the Chapter, and but one in the Consistory. Since the official year closed there have been several new members received in the Chapter.

While there is no apathy, there is really nothing to arouse any enthusiasm.

The best of feeling prevails in the Rite, and the work which is done is performed in a satisfactory manner.

On the 16th of October last past, I granted special dispensations to confer the 19th to 30th and 31st and 32nd degrees on Sov.: Prince GEORGE B. WILLIAMS, believing it to be in the interests of the Rite.

Fraternally submitted,

JOHN D. CHIPMAN, 33°,

Deputy for the Province of New Brunswick.

NOVA SCOTIA.

To the Supreme Council A.: & A.: Scottish Rite for the Dominion of Canada.

ILLUSTRIOUS BRETHREN :

In presenting my annual report for the Province of Nova Scotia, I very much regret that my absence from the city during the greater part of the year has prevented me giving that attention to the Rite under my jurisdiction it so justly deserves from your Deputy.

I am pleased, however, to report the general condition of the three bodies as highly satisfactory. The officers take a great interest in the work, and are looking forward with confidence to the future.

Nova Scotia Consistory conferred two 31st and two 32nd degrees during the year, Rose Croix Chapter three 16th to 18th degrees, and Lodge of Perfection two 4th to 14th degrees.

There being several petitions for membership before the two latter bodies indicates considerable progress during the incoming year.

I am pleased to report no suspensions, withdrawals or deaths, consequently, although the work has been light, a small increase in membership has taken place.

The returns of the several bodies have been duly forwarded to the Illustrious Secretary-General, as requested by the statutes.

Fraternally submitted,

ALEX. STEPHEN, 33°,

Deputy for the Province of Nova Scotia.

Halifax, Oct. 20, 1902.

MANITOBA.

To the Supreme Council A.:. & A.:. Scottish Rite for the Dominion of Canada.

ILLUSTRIOUS BRETHREN :

I beg to submit my annual report as Deputy for Manitoba. During the past year the Lodge of Perfection has added 19 members to the roll, making a total membership of 226. Bethesda Chapter has received 5 new members, making a total membership of 88. Manitoba Consistory has done some work conferring degrees on members but have not increased their membership.

Last June, under the authority of a dispensation from the Sovereign Grand Commander, I visited the City of Calgary and conferred the degrees 4 to 14 on fourteen candidates who had previously been balloted for and accepted by the Winnipeg Lodge of Perfection. We had an attendance of 40 A.:. & A.:. S.:. members at our meeting, and worked the 4th, 5th, 13th and 14th, communicating the intermediate degrees.

The Rite is making steady progress in the Northwest, and peace and harmony prevail, interest in the meetings is on the increase, and more members are taking a share in the Ritual work.

Wishing the members of Supreme Council a pleasant and enjoyable reunion, I remain,

Yours fraternally,

JOHN McKECHNIE, 33°,

Deputy for Manitoba and Northwest Territories.

Winnipeg, Man., Oct. 18, 1902.

PRINCE EDWARD ISLAND.

To the Supreme Council A.: & A.: Scottish Rite for the Dominion of Canada.

ILLUSTRIOUS BRETHREN :

It is now my duty to report to you of the doings of our bodies in this Province. Apart from our meetings, we have made no increase. I regret to report that death has removed one of our members, viz., Bro.: WILLIAM DODD SMALL, 14°, who died on the second day of May last. He was a promising young man, and we looked forward to benefit by his ability and interest manifested in the duties of the Rite.

Instead of an increase this year I have to report a decrease of one. Our number are still firm and faithful, and considering the distance they have to travel the interest is marvellous, and as the winter months approach greater interest will take place. The returns have been duly forwarded to the Illustrious Secretary-General, together with the fees.

I regret that circumstances over which I have no control will not permit me to be with you this year, but I hope Providence may favor and bless your deliberations. With best wishes I remain,

Yours fraternally,

Charlottetown, P. E. Island,
10th Oct., 1902.

R. MACNEILL, 33°,
Deputy for Prince Edward Island.

BRITISH COLUMBIA.

To the Supreme Council A.: & A.: Scottish Rite for the Dominion of Canada.

ILLUSTRIOUS BRETHREN :

In submitting this my second annual report as Special Deputy for the Province of British Columbia I am pleased to announce continued satisfactory progress and increase in the membership for the current year ; were it not for the fact that no meetings were held during the warm summer months a greater increase would appear. By referring to the returns sent to the Illustrious Secretary-General, you will find we have added seven to the roll.

It affords me much pleasure to state that the present officers have about completed arrangements for quarters of our own, and are now bending their energies towards fitting and furnishing up the new premises solely for the use of the Rite. When completed our influence and progress will materially increase.

During the year the Vancouver Rose Croix Chapter, which has been working under a dispensation, has made fairly good progress. I would, therefore, recommend the granting of the charter, which I feel will be advantageous to all.

The returns have been duly forwarded for both Vancouver Lodge of Perfection and Vancouver Rose Croix Chapter, in accordance with the Statutes, which I trust will be found correct and satisfactory.

Ill.°. Bro.°. B. ALLEN, 33°, of Toronto, again paid us a visit in August, and by special commission communicated the degrees from 18 to 32 on M.°. W.°. Bro.°. E. E. CHIPMAN, Grand Master of the Grand Lodge of British Columbia; also upon Bro.°. R. F. GREEN, both of Kaslo. We appreciate these annual visits of Ill.°. Bro.°. ALLEN, whose efforts in the interest of the A.° & A.°S.°R.° are always in evidence.

I must again express my thanks to the Supreme Council for their kind consideration in again electing me as their Special Deputy for British Columbia for the year just closing. I had hoped up to a few days ago to have enjoyed the pleasure of attending the annual meeting of the Supreme Council this month. Circumstances which I had endeavored to guard against have occurred at about the last moment, thus preventing me from presenting myself for the coveted honor. I very much regret the need of requesting a further indulgence, which I trust will not again be required.

Fraternally submitted,

J. R. SEYMOUR, 32°,

Special Deputy for British Columbia.

The Committee on Audit and Finance presented the following report :

To the Supreme Council A.: & A.: Scottish Rite for the Dominion of Canada.

ILLUSTRIOUS BRETHREN :

The Committee on Audit and Finance beg leave to report that they have examined the books and accounts of the Secretary-General and the Treasurer-General for the year ending September 30th, 1902, and find them correct.

The Committee are of the opinion that the balance on hand will warrant the investing of an additional thousand dollars, and accordingly recommend that such investment be made.

Fraternally submitted,

E. B. BUTTERWORTH, 33°,	} <i>Committee.</i>
ANGUS W. HOOPER, 33°,	
W. H. BALLARD, 33°,	

On motion of Ill.: Bro.: BUTTERWORTH, the report was received and adopted.

On motion of the Secretary-General, it was resolved to issue a warrant for Vancouver Chapter of Rose Croix, Vancouver, British Columbia.

The Committee on the address of the Sovereign Grand Commander reported as follows :

To the Supreme Council A.:. & A.:. Scottish Rite for the Dominion of Canada.

ILLUSTRIOUS BRETHREN :

The Committee on the Sovereign Grand Commander's address beg respectfully to submit their report.

Though the address contains much material of importance and of interest to the Supreme Council the Committee does not propose to refer to these several subjects seriatim. Doing so would probably be a mere re-echoing of statements and sentiments which have been so well expressed by the Sovereign Grand Commander.

The Committee congratulate the Sovereign Grand Commander on the general prosperity of the Rite in this jurisdiction and the grounds which evidently exist for the hopeful and encouraging tone which pervades the address. Our growth as a Rite in this Dominion may not be by leaps and bounds or phenomenally rapid, but we do progress, and year by year our position among Supreme Councils is being recognized as more firmly established and correspondingly entitled to increasing consideration and respect.

It does not follow that because there has been no enlargement of membership in some of the subordinate bodies either retrogression or decay has set in. If only in the few instances where admission of new material has not been added, the brethren do not forsake the assembling of themselves together, there need be no fear of ultimate success. The undoubtedly strong position attained in several of the larger centres of population is very gratifying, and as time passes cannot but tend towards the general spread of the Rite within the jurisdiction.

The Committee share in the satisfaction expressed by the Sovereign Grand Commander that marked improvement in the facilities for conferring the degrees, as well as a tendency to higher standards of work are gradually becoming general. While rude beginnings may be and undoubtedly often are a necessity, we cannot shut our eyes to the fact that in many of the degrees much of what is interesting, instructive and impressive is lost, if the surroundings in which the degree is worked are inadequate or the paraphernalia necessary for proper exemplification is wanting.

It is with much satisfaction that Supreme Council learns from time to time that the Sovereign Grand Commander and Past Sovereign Grand Commander ELLIS have been able to spare the time necessary for visiting our neighboring sister Supreme Council of the Northern Jurisdiction. While they can always rely on a most friendly and cordial welcome from our American brethren, it is no slight satisfaction to members of our Supreme Council that they should be so well and capably represented.

Though not strictly within the scope of this Committee's report, the Chairman takes this opportunity of placing on record an expression of his appreciation of the courtesy and kindness extended to him by Sovereign Grand Commander RICHARDSON, and the Supreme Council of the Southern Jurisdiction, on his attendance a year ago at the celebration of the Centennial of that Council, and the unveiling of the statue erected to the memory of that great and good man, Ill. Bro. ALBERT PIKE. It was no slight honor to be permitted to sit in that Supreme Council and be introduced to each of the members individually.

The Committee entirely concur in the desirability of having the higher degrees of the Rite extended to British Columbia, with a view to the establishment of a Consistory in that Province in the not distant future, and doubt not that wise and excellent selections were made by Ill. Bro. ALLEN, as mentioned in the address.

The Sovereign Grand Commander has referred in eloquent terms to the Coronation of His Majesty King Edward VII., and the circumstances connected with this historic occasion and ceremonial, and we join in the expressions of gratitude to the Most Wise Sovereign of the Universe, that His Majesty was spared to his people and crowned in due form and ceremonial. At least two members of this Supreme Council had the honor of being present in Westminster Abbey on this august occasion.

The Committee feel disposed to specially concur in the Sovereign Grand Commander's expressions of obligation to Past Sovereign Grand Commander ELLIS, for the time and labor devoted by him to the report on Foreign Correspondence. Though no doubt regarded by our Ill. Brother as a congenial task, the duty is not performed without considerable labor, and it is of importance that Supreme Council should have the benefit of Ill. Bro. ELLIS' ability, long experience as a leading member of the Rite, and special familiarity with our foreign relationships which so eminently qualify him for this particular duty.

In conclusion the Committee congratulate the Sovereign Grand Commander

on the satisfactory record of the year and the cheerful outlook for the future. They join with all the membership in an expression of gratification, that one who has been so long and prominently connected with this Supreme Council and who has now for several years presided so acceptably over its deliberations, retains his full vigor of mind and body and is as bright and cheerful and in a sense, we might say, as youthful as any of us. That he may long be spared to exercise the important functions of his exalted position in this Rite is, the Committee feel assured, the heartfelt prayer of every Scottish Rite Mason in this jurisdiction.

Fraternally submitted,

J. M. GIBSON, 33°,
B. TOOKE, 33°,
JOHN D. CHIPMAN, 33°, } *Committee.*

On motion of Ill.: Bro.: the Lieutenant Grand Commander, the report was received and adopted.

The Committee on the Doings of Inspectors-General and Special Deputies presented the following report :

To the Supreme Council A.: & A.: Scottish Rite for the Dominion of Canada.

ILLUSTRIOUS BRETHREN :

The Committee on the Doings of Inspectors-General and Special Deputies have examined the reports of the several Provinces, and beg to submit the following :

ONTARIO.

We are greatly pleased with the report from this Province by Ill.: Bro.: MASON, as it shows continued prosperity, and regret that his health has been such that he has not been able to accomplish the actual visits he so much enjoys, but trust it may not be long before he is fully restored to health.

QUEBEC.

The Deputy of this Province reports continued increase and interest in the Rite and hopes for still better results in the future, and comments again on the keen conservatism which the several bodies exercise in the selection of material ; this conservatism is appreciated by your Committee.

NEW BRUNSWICK.

Ill.: Bro.: CHIPMAN, in reporting for this Province, states that while there is no apathy there is really nothing calling for special mention.

NOVA SCOTIA.

The Illustrious Deputy for this Province reports that the general condition of

the three bodies in this Province is highly satisfactory, there having been considerable work done during the year. The officers have taken great interest in the work. The prospects for the coming year point to increased additions to all the bodies.

MANITOBA AND NORTH-WEST TERRITORIES.

Ill.: Bro.: McKECHNIE, Deputy for these Provinces, in his report mentions additions in membership in the three Bodies, and states that steady progress is being made in Scottish Rite Masonry in the North-West, and increased interest in the ritual work is shown by the members.

BRITISH COLUMBIA.

Ill.: Bro.: SEYMOUR, as Special Deputy for this Province, announces continued progress in increase in the membership for the year. We are pleased to note that arrangements have been completed for quarters of their own, which will naturally have a tendency to increase their interest in the work.

PRINCE EDWARD ISLAND.

The Illustrious Deputy for this Province reports no work done during the year, and as they have lost one member through death there is a decrease of one in their roll. He, however, states that the coming season shows prospects of increased interest in the working of the Rite.

Fraternally submitted,

ALBERT D. NELSON, 33°,	} <i>Committee.</i>
JOHN D. CHIPMAN, 33°,	
BENJAMIN ALLEN, 33°	

On motion of Ill.: Bro.: NELSON, the report was received and adopted.

On motion of Ill.: Bro.: ELLIS, it was resolved—

“That the Supreme Council for the Dominion of Canada has learned with deep regret of the death of Ill.: Bro.: LINDSAY MACKERSY, Secretary-General of the Supreme Council of Scotland, and Representative of this Supreme Council at that body. The fidelity displayed by Bro.: MACKERSY, during a long Masonic career, to the principles of Freemasonry, and his vigor in upholding the true spirit of the Scottish Rite justly earned for him the appreciation and esteem of the members of the Rite in the Dominion of Canada.”

Ill.: Bro.: BENJAMIN TOOKE presented his credentials as the Representative of the Supreme Council for Switzerland.

He was received and welcomed by the Sovereign Grand Commander.

The Illustrious Brother replied in felicitous terms.

The Supreme Council was called off at 1 o'clock p. m.

The Supreme Council resumed in Executive Session at 2.45 p. m.

SECOND EXECUTIVE SESSION.

On motion of Ill.: Bro.: MACKAY, a donation of \$100 was made to Bro.: ———, to be paid through Ill.: Bro.: ELLIS.

* * * * *

The Executive Session closed, and the Supreme Council resumed labor in General Session at 3.45 o'clock p. m.

On motion of Ill.: Bro.: ELLIS, the alterations in the thirtieth degree, recommended by the Ritual Committee, were adopted.

The Sovereign Grand Commander then named the following Committees: On Audit and Finance; on Foreign Correspondence and Relations; on Jurisprudence and Legislation; on the Doings of Subordinate Bodies; on the Doings of Inspectors-General and Special Deputies; on Library and Ritualistic Matter; and a Special Committee on Ritual.

The Lieutenant Grand Commander gave notice that at the next meeting of the Supreme Council he would move that Section 16, paragraph E., of the Statutes and Regulations, be amended by inserting after the word “Rite,” in the fourth line thereof, the words “and which he himself could do.”

On motion of the Treasurer-General, it was resolved to hold the next Annual Session of the Supreme Council at the City of Hamilton, in the Province of Ontario.

The Sovereign Grand Commander tendered the thanks of the Supreme Council to Ill.: Bros.: GEN. J. CORSON SMITH and WILLIAM CARTER, active members of the Supreme Council for the Northern Masonic Jurisdiction of the United States of America, for the continuous attendance during the Session.

These brethren expressed the pleasure they had received, and returned thanks for courtesies extended to them during the Session.

On motion of the Treasurer-General, the thanks of the Supreme Council was passed to the members of the Rite in the City of Montreal for their attention and kindness during the Session.

The box of fraternal assistance was then passed, and the collection donated to the bodies of the Rite in Montreal.

The labors of the Supreme Council being ended, the Chain-of-Union was formed, and the Council was closed at 4.35 o'clock p. m., to assemble again in Annual Session in the City of Hamilton, in the Province of Ontario, on the fourth Wednesday in October, 1903, at 11 o'clock a. m.

APPENDIX.

FOREIGN CORRESPONDENCE.

To the Supreme Council A. & A. Scottish Rite for the Dominion of Canada.

ILLUSTRIOUS BRETHREN :

In the address with which the Sovereign Grand Commander opened the session of Supreme Council, several matters relative to the affairs of the Rite in other jurisdictions, and to the relations of other Supreme Councils with ours, were referred to, and this has considerably lightened the labors of your committee.

EGYPT.

The Sovereign Grand Commander has referred to some countries in which there are Supreme Councils at which we have no representatives. One of these is Egypt. The committee, reporting in 1901, made a statement respecting conditions in Egypt, and there is no information before its members to induce them to change their minds. On the contrary, statements published in the Transactions of the Supreme Council of France justify the apprehension that the Scottish Rite in Egypt is in a somewhat chaotic condition ; and until it overcomes that condition our best course is not to change our own attitude.

SCOTLAND.

The ever-interesting Annual Reporter of the Supreme Council for the past year has not come into the hands of your committee, and it is possible that its publication has been delayed through the lamented death in September of Ill. : Bro. : LINDSAY MACKERSY, long the Secretary-General of that Council, and our representative near it. Of the death of this sturdy, practical and enlightened brother this Supreme Council has heard with deep regret. He was not only one of the most active members of the Rite in Edinburgh, but the influence of his sturdy and well-balanced mind was felt in all the English-speaking Councils at the time of the Lausanne convention. He attended the meeting, but did not think it advisable for the body which he represented at that great gathering to accept the declaration of principle there made, and in this the other Supreme Councils in the United Kingdom, the Supreme Councils in the United States and this Supreme Council concurred. His name was a familiar one in connection with the Rite, and indeed with Freemasonry in the mother country, and his memory must long be kindly cherished.

NORTHERN JURISDICTION U. S. A.

Little need be added to observations made by the Sovereign Grand Commander in his address relative to the Northern Supreme Council. The splendid membership, the healthy financial condition of that Council, the fraternal spirit that animates the Rite in the Jurisdiction, afford the best possible evidence of satisfactory government and of the content of the governed. The committee observe with deep regret that since the close of the session two active members have died. One of these is Ill. : Bro. : JOSIAH H. DRUMMOND, Past Sov. : Gr. : Commander, who, although not in the best of health at the last meeting, was nevertheless able to participate in the proceedings. He will be greatly missed by his colleagues, and indeed by his death the Masonic world is deprived of one of its best jurists and an enlightened leader. His splendid qualities of citizenship endeared him closely to the community in which he lived, and the press of the City of Portland, Maine—in which city he had passed the greater portion of his life—bore eloquent tribute to his character and his excellence. The other active member whose death since the session is recorded is Ill. : Bro. : CLINTON F. PAIGE, Past Secretary-General of the Supreme Council. Bro. PAIGE retired from office at that session owing to his increasing infirmities, and generous provision was made for his future, which, however, he did not live long to enjoy. For many years he had discharged the duties of an important office with great satisfaction, and he possessed much influence among his brethren. Although both of these illustrious members had reached an age when cessation of their labors might be expected at any moment, nevertheless their friends and associates will miss them from their familiar places. The Canadian visitor to the Northern Council will regretfully feel that not on this earth will he clasp the kindly hands which were ever outstretched to him by these brethren at the sessions of the Council. The committee last year noted with regret the absence, through ill-health, from the meeting of 1901, of Ill. : Bro. : BABCOCK, Deputy for the State of Ohio, a brother who is well-known to us in this Dominion. He had so far recovered from a severe attack of illness as to be able to be present this year, and although his bodily strength was not as vigorous as in earlier years, he had lost none of his old vivacity and cheerfulness, or the heartiness of manner which so endeared him to us all.

SOUTHERN SUPREME COUNCIL, U. S. A.

In our Proceedings for 1901 considerable information was given respecting the celebration by the Southern Council of its centenary, which was observed at the biennial session of that year. The transactions of our sister Supreme Council have since been published, making up a volume of four hundred pages, containing a great deal of interesting and valuable information in regard to the Rite in the Jurisdiction, to the doings of the Supreme Council body, to its library and museum and to its Court of Honor. The revenue of the Supreme Council in the two years, since the session of 1899, was \$51,653.80 and \$65,353.97, a total of \$115,374.75 for the two years. The Secretary-General stated that the library has cost up to August 31st, \$82,916.51. There are on the roll of the Supreme Council 102 Lodges of Perfection, 64 Chapters of Rose Croix, 51 Councils of

Knights of Kadosh, 45 Particular Consistories and 3 Grand Consistories, a gain of 40 bodies in a year. The total membership in the Lodges of Perfection on July 1st, 1901, was 12,056. The invested fund appears to be seventy thousand dollars. The Supreme Council adopted a new and apparently very effective code of laws. Such full reference was made last year to so many subjects dealt with by the Sov.: Grand Commander in his address that it is not necessary to again go over these matters, but there are two or three paragraphs in the address of Ill.: Bro.: RICHARDSON, Sov.: Grand Commander, which may be quoted both for the facts and the sentiments they contain.

“I know I will be pardoned for calling attention at this point to a fact to which I have never seen reference made. Of all the Grand Commanders who for more than forty years last past have presided over our Southern Supreme Council, not one of them was a native of a Southern State, or of any State of our Jurisdiction. Bro.: CASWELL was born in New York, Bro.: TUCKER in Vermont, Bro.: BATCHELOR in Canada, and Bro.: PIKE in Massachusetts. I may add that the founder of our Supreme Council at Charleston, Bro.: JOHN MITCHELL, our first Sovereign Grand Commander, was a native of Ireland, while his chief assistant and coadjutor in the work, and later his successor in office as Grand Commander, REV. DR. DALCHO, was a native of England. The third Grand Commander, DR. AULD, was a native of Pennsylvania. DR. HOLBROOK, the fourth Grand Commander, was born in Massachusetts and died in 1844. Grand Commander HONOUR, who held the office from 1845 until 1858, and Grand Commander FURMAN, who filled it as Lieutenant-Grand Commander for only a few months, were born in South Carolina, and were the only Grand Commanders who were natives of the jurisdiction. It thus appears that for about eighty-five of the one hundred years of our existence our Grand Commanders were all born outside of the jurisdiction.

“There are now no persecutions or proscriptions for opinion sake, political or otherwise, anywhere in our broad land. Certainly none because a man is a Freemason. Masonry is therefore at peace. Masonry is peace. Although a state of war is the normal condition of the human race, it is not so with our institution. Freemasonry wages no war except the war against prejudice. She has no emulation except for that which is good; no other rivalry than in our love for our country, in our devotion to the brethren, and our constant efforts for the elevation and happiness of the human race. But for the far-reaching influence gently and lovingly exercised by Masonry on mankind through the generations that are behind us, no one can tell how much worse off the world would find itself to-day. It has always been a potent factor in softening the temper of those who were malicious, in restraining the passions of those who were impetuous and hard to govern, in helping us to rule over our own spirits, and in removing envy, hatred and malice not only from between those who are strangers to each other in blood, but from those who are even of the same household.

“It is related of the two sons of Oedipus that the malice dividing them was so intense that when the corpses of both brothers were burned together on the same funeral pyre (as by one tradition they were), the flames from each parted asunder, and refused to mingle. This may be a fable, but it serves to illustrate and help us realize how overflowing with malice the human heart can become. The world then is sadly in need, not only of all the sacred and purifying influence of the church, but also of Masonry and other kindred institutions, which are helpmeets, whose mission is to restrain men, help them subdue their passions, and teach them not only to love God, but their fellows also, and to walk in the ways of truth, honor and peace.”

The Supreme Council has twenty-three Active Members. The Illustrious

Grand Secretary-General, Bro.: FRED. WEBBER, is the Dean of the Council, the year of his admission being 1859.

PARAGUAY.

Formal intimation has been sent us of the organization of a Supreme Council in this Republic. The new Supreme Council adheres to the ninth provision of the Lausanne Convention, and asks us for an exchange of representatives. There are fifteen Active Members in the Council. The Deputy Sovereign Grand Commander is Ill.: Bro.: JUAN G. GONZALEZ, ex-President of the Republic; the Grand Secretary-General is FRANCIS V. PASTOR, and the Sovereign Grand Commander is Ill.: CHRISTIAN G. HEISECKE. The see of the new Supreme Council is at Asuncion. There has not been a Supreme Council in Paraguay, so far as your committee is aware, but time is asked to have the whole matter looked into.

FRANCE.

The "Compte-Rendu" of the Supreme Council of France received in the present year covers acts and transactions of the year 1901. There are thirty Active Members in the Supreme Council, and the "Compte-Rendu" shows that in the Rite there was much activity in the year named. This activity is both philanthropic and intellectual, and there is no doubt whatever that the Supreme Council and its dependent and associate bodies are feeling the effect of the ability and energy exerted by the Ill.: Bro.: RAYMOND, now at the head of the Supreme Council. There is a spirit of hopefulness among our brethren of the Scottish Rite in France much more manifest than it was a few years ago. Reports are printed of visitations of the Supreme Council to many of the bodies of its obedience. The great fete of the Order was observed 22nd of December, 1901, and was largely attended, and the exposition which was given of the state of affairs very satisfactory. The orphanage under the supervision of the Rite is doing a good work, and altogether the conditions in France are gratifying. Among the documents published is an exceedingly interesting study, historical and philosophical, of the Order of the Rose Croix, presented at the inauguration of a new chapter at Tours by the Ill.: Secretary-General, Bro.: COUTAUD. Many of the French organizations are much more energetic than we are in America in the discussion of such topics as universal peace, mitigation of the horrors of war, international arbitration, and the like.

SWITZERLAND.

Your committee has been much impressed with the excellent tone and spirit, the moderation and fairness displayed in the letters sent to us by our new Representative near the Supreme Council for Switzerland, Ill.: Bro.: JULES CAPRE, Lieutenant Grand Commander of the Supreme Council. They convey interesting and useful information to members of this Supreme Council, and they would be of general interest, but your committee thinking that the Illustrious Brother wrote them with no intention of having them published, it might not be just to him to give publicity to their text. Further than this some points in them have been settled by the progress of time, and to open up the subjects treated would not be beneficial. Some of these matters refer to projected Masonic

Congresses to discuss questions which on this continent are not really within the range of Masonic discussion. And they are not within the range of Masonic discussion, inasmuch as the spirit of freedom and tolerance which prevails here opens so wide the area of discussion that almost any question may be discussed at public gatherings, in the press, on the platform, with very great freedom. And Freemasonry in this country does not deal with discussions of a public kind, such as the right or the wrong of a particular war, inasmuch as every citizen may express himself on such a matter openly and freely in unfriendly criticism of the government or in favor of it. To discuss these subjects in our Lodges would be destructive of the harmony which it is the aim of the institution to promote. Our Brothers in Switzerland and in Belgium and in South America must not overlook the fact that if we are not actively energetic in regard to these Congresses, it is because we prefer that each Supreme Council should work out for itself, in its own way, practical application to the needs of mankind of the principles which it holds, and as may be best adapted to the sphere within which it wields its influence.

TUNIS.

The Sovereign Grand Commander notes that we have no interchange of representatives with the Supreme Council of Tunis. There is no change in the situation in that country—at least so far as the information before your committee affects it—and what was said in regard to Egypt applies pretty well to Tunis. Brethren interested are referred to what was said by this committee in 1901.

ARGENTINA.

In their last report your committee devoted considerable space to some views expressed by the Argentine Freemasonry. Mention was also made of the fact that the Grand Secretary-General and the Sovereign Grand Commander (Ill. : Bro. : FAUSTINO JORGE) had resigned their offices to which they had been elected not long before for a period of five years. The resignation of Bro. : JORGE was followed by that of Ill. : Bro. : FRANCISCO J. FERNANDEZ, Lieut. Grand Commander, a man of eminence as a student and scholar. Ill. : Brother EMILIO GOUCHON has become Sov. : Gr. : Commander ; Ill. : Bro. : EMELIO DEL VALLE Lieut. : Grand Commander, and Ill. : Bro. : B. F. DOBRANICO Grand Secretary-General of the Council. The Masonic Journal "Revista," of Buenos Ayres, shows that there are very serious differences of opinion among the brethren in the Argentine Republic arising out of questions of government, and that paper intimates that this is due to assumption of authority by the Supreme Council over the Lodges which it does not lawfully possess.

DOMINICANA.

A communication from this Supreme Council, dated 1st March, furnishes a list of the officers for the four years, 1902-1906. Ill. : Bro... ALEXIS LICAIRAC, Sov. : Grand Commander, JOSE M. DIAZ, Lieut. : Grand Commander, and FRANCISCO QUIRICO Y CONTRERAS, Grand Secretary-General, were all re-elected. There are in the Council thirty-two Active and eight Supernumerary members. Our representative, Ill. : Bro. : GERALDINO, is one of the officers of the Council.

BRAZIL.

A communication has been received from the "Grand Orient and Supreme Council of Rio Grande of the South," dated at Porto Allejre, asking among other things for an exchange of representatives. We already have friendly relations with a Supreme Council in Brazil, of which Ill. : Bro. : ANTONIO J. DE M. SOARES is Sovereign Grand Commander and Ill. : Bro. : HENRIQUE VALLADARES is Grand Secretary-General. Its see is at Rio de Janeiro. We recognize that body as the Scottish Rite authority of the Republic of Brazil.

MEXICO.

Among the communications from the Supreme Council of Mexico is one from the Secretary-General, Ill. : Bro. : ALVAREZ, acknowledging receipt of the commission of Ill. : Bro. : FLORES, Sovereign Grand Commander, and expressing the satisfaction which his selection has given. There is also a kind letter from Bro. : FLORES, courteously acknowledging the appointment and expressing his good feeling to this Council.

Among the communications in the hands of the committee are fraternal letters from the Supreme Council of Italy and of Central America, congratulating the Supreme Council of Canada upon the election of officers last year, and conveying fraternal greetings to the brethren elected.

Fraternally submitted,
